

Park adjacent to Laggantygowan Cemetery, off the A95 N of Aviemore.
What3words: ///index/tolls/tram

P

Go through between the Car Park sign and the wall. Head diagonally right up the hill, taking a path to the right near the top of the hill. Follow this (carefully, this is the roughest part of the whole route!) to the stile in the fence. Cross the stile carefully as it is a bit 'shoogly' and the run starts.
