

UATH LOCHANS – LEVEL D event 9th March 2014

Provisional results – please note these have been produced manually and we haven't been able to check for correct completion of courses.

Some participants on Yellow and Orange were shadowed by an adult, but this wasn't necessarily declared. Out of fairness, we ask you please to let us know if your child was shadowed.

We are aware that several of you set out with the intention of doing some practice, so we're not concerned by the number of DNF's. Well done to all on the Yellow course, which we knew was both difficult and physical (but exciting with it!) – but everyone finished!
